Office of General Counsel  
Federal Elections Commission  
999 E Street, NW  
Washington, DC 20463

Dear Sir or Madam:

We write on behalf of Representative Lynn Jenkins, Lynn Jenkins for Congress (the "Committee") and Heather Grote (treasurer for the committee) in response to a Complaint filed which is now labeled MUR 6888. Our original response was filed within 15 days of our receipt of notice and signed for on 12/5/14 by S. Houser. It was subsequently misplaced by FEC staff. At the request of the FEC we are resubmitting a response. The Complaint alleges fault in a contractual relationship between the Committee and a vendor.

The Federal Election Commission ("FEC") should immediately dismiss the complaint against us because it fails to allege facts or offer a legal theory that amount to a violation of the law.

We entered into a contractual relationship with a vendor in which we paid fair market value for goods/services rendered, and fully disclosed the payments. We did not use i-360 to create, produce or distribute communications and we did not coordinate with independent groups.

For these reasons, the Complaint is without merit and we respectfully request that the Commission dismiss the Complaint.

Sincerely,

  
Heather Grote

  
Lynn Jenkins
